	DSLR Camera optional but recommended.		
Bring Your Own Device - Student preference, listed courses have specific requirements if using BOYD			
We encourage all students to bring their own device (BYOD) to enhance their learning where appropriate. Students are able to access the internet via our wireless network while on campus.			
Our recommendation would be to consider a device for learning that has a minimum screen size of 9 inches, is touch-screen enabled with a battery life of 6 hours.			
*(Optional) -Items labelled this way will have class set and alternate options available during school time. Your own copy
